PETITION TO REVIVE UNITENTIONALLY-ABANDONED PATENT APPLICATION UNDER 37 CFR 1.181(a)

This petition is in response to the Notice of Abandonment of February 8, 2006, a copy of which is attached to this petition as Exhibit 1. The Notice of Abandonment stated that abandonment resulted from "failure to timely file a proper reply to the Office letter mailed on 29 July 2005." However, the Office Action mailed on July 29, 2005 ("Office Action") was not received by Cardica's attorney. Consequently, Cardica's attorney respectfully petitions the USPTO to withdraw the holding of abandonment in this patent application.

A search of the file jacket and docket records indicated that the Office Action was not received. A copy of the docket record from Cardica's attorney is attached as Exhibit 2, in accordance with the requirements of MPEP 711.03(c)(I)(A). Cardica's attorney utilizes the web-based Foundation IP application to docket responses, and Exhibit 2 is a printout of the web page in Foundation IP for this patent application. As seen in the docket record of Exhibit 2, no reply is docketed for this application at any time within three months after July 29, 2005, the date of the Office Action.

Because Cardica's attorney never received the Office Action in this application, as proven by this Petition, Cardica requests that the holding of abandonment be withdrawn, and that the Office Action be sent to the correspondence address of record, which should match the address provided below. Please charge the petition fee under 37 CFR 1.17(h) to Deposit Account No. 502108, and please charge any underpayment or credit any overpayment to that deposit account.

Please contact the undersigned if there are any questions.

Respectfully submitted,

Brian A. Schar Attorney for Cardica, Inc. Reg. No. 45,076 900 Saginaw Drive Redwood City, CA 94063 (650) 331-7162
